

Keep Gilmer Beautiful

Our Mission

The mission of Keep Gilmer Beautiful is to work with Gilmer County Government and county citizens to promote a clean and healthy environment in which to work, live and enjoy. The Keep Gilmer Beautiful program is comprised of a group of concerned citizens whose purpose is to educate and inspire Gilmer County citizens to take ownership of the environment and ensure that Gilmer County stays clean and beautiful for future generations. We actively seek community involvement from all ages to help prevent littering, encourage recycling and reduce waste.

Adopt A Road Program

Keep Gilmer Beautiful offers an Adopt A Road program. Volunteers can adopt a county road by committing to clean up a minimum of one mile four times annually with a one year commitment. Individuals, service organizations, businesses or families can Adopt A Road. Prospective volunteers must be in good physical condition and have good eyesight and hearing. For volunteers under 18, certain restrictions apply.
